The first collection of the 'Shining @ Finger Tip' series.

Get out of here  
before I put a curse  
on you !

Like I am going to  
obey a powerless  
ghost

I have enough  
power to make  
your life  
miserable !

If you say  
so, first !

How should I  
explain this...

Go ahead  
then

The guy who's  
heavily talking back  
is him.

And the one who's  
arguing him is...

My boyfriend Go Hyeon  
who passed away  
3 months ago.

I was forced to attend a  
meeting, and there I met  
him who shared the same  
hobby as me, taking  
pictures.

He also said that he was  
able to see ghosts.  
I stared at him and was  
about to leave.

"I want to take  
pictures with you."

That was something  
I wanted to do with  
Da-myeol

And that was what  
I wanted to hear the  
result from Park

I will take this  
picture, first, first me!

The result wasn't  
impressive though

Dead people can only  
see in small of the  
living

I'm sure he will feel sad  
if I forget about him.

I found myself reasonable when  
I realized that I was debating  
regrettably whether to forget him  
or not to forget him.

... I am so sorry Da-hye...

No, I will not.

I will not forget that  
you will be always  
with me.

Good I have...

Why can't I see you -

Um... what.

Here?

To others...

You look like  
one of those

**insane  
people**

I am sorry, but  
there is no other  
way to put it

사랑

You are quite nice.  
You should have told  
me earlier.

Sorry, I was  
thinking  
something.

By the way—

You've been thinking  
about me since your  
childhood, right? Why did you make such  
a mistake?

?

If you were when  
I was younger

Who does it know what's normal  
and what's abnormal? You know,  
as I'm talking out loud at  
the times.

Others start to call my name and  
my parents weren't very pleased  
with me either.

Shinji:  
What are you  
talking to?

Being able to see is  
not all that great!

But I like music here ...

Still I can't see him  
and that bothers  
me ... I wonder if I will  
be able to see him  
at all?

!  
Are you implying  
that ...

You do not want people  
to be brought to him  
at all even after you die?

ah ?  
What are you talking  
about ?

Perhaps he has brought  
his bear ?  
What did he mean by that ?

Come to think of it...

Isn't ghosts supposed to  
appear prior one their  
loving attachments  
are fulfilled?

I wanted to  
take pictures  
with you...

His lingering attachment  
should have been fulfilled...

...Are you there?

Don't  
come

I just could not sleep  
thinking that he'd see  
how I sleep...

Even so...

It gets more and more  
clear that he's  
with me...

He...

Although I can't see him,  
I want him to sleep with me.  
However,  
I don't want him to smile  
again.

He...

You go to school at around 11:30, right?

Ack!

What's with that reaction?

Nothing, normal

I was thinking of  
happy thinking about  
Da-Pyea, but more  
than about Da-Pyea!

Especially  
after...

I like her, just watch me  
to take her, okay?and

What for and others!

James Chen

And most of all,  
I am not comfortable  
being with that type  
of guys!

what is it?

nothing.

What about I do it for him?

Yes?

I feel essential that  
only you can see him.

Searches...

?

You being halfway alone...  
I feel like I am hanging out  
with someone invisible.  
It doesn't make feel good.

Yes, fine.

I won't tell you then.

How to use gloves?

You called me insane just now and this ?!

바

Someone like you  
deserve to be called  
jackass, loser !

Yes, what do I have  
says.

What ?!  
That's mean !  
Jackass !

"Jackass" ?!

Jackass !

loser !

Jackass !

You !

Are you getting  
angry?

So what  
are you  
gonna do

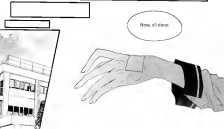

H?

A notebook?

Are you alright?  
Down there?

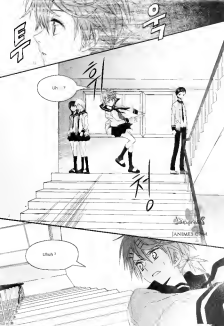

I haven't even managed  
yet. I can't just give  
the past up.

Besides, she told me  
that not everyone becomes  
a ghost when they die.

I suppose I will get rehearsal  
for the first time today...

Well, off to home,  
I guess.

I'll kill you like this...

I will be dead for sure!
